

10th International Software Process Workshop: Proceedings, June 17-19, 1996, Dijon, France

by International Software Process Workshop International
Software Process Association

Conferences - Irisa Intl Conference on Business Process Management 2017, 10-15 September 2017, . on Business Process Modeling, Development, and Support, June 2017, Essen,. Proceedings of the 2nd International workshop on Compliance, Evolution.. Service-oriented computing and Applications (SOCA 2012), 17-19 Dec 2012, International Software Process Workshop 10th International Software Process Workshop: June 17- 19, 1996, Dijon, France: Proceedings (International Software Process Workshop/(Proceedings)) by . Publikationen — DFKI In Proceedings of the Seventh International Software Process Workshop . the 3rd international workshop on Software configuration management, p.1-18, June 12-14,. Proceedings of the 10th ACM SIGACT-SIGPLAN symposium on Principles of.. ACM symposium on Applied computing, April 23-27, 2006, Dijon, France. Unifying the Software Process Spectrum: International Software . - Google Books Result Jacky Estublier of French National Centre for Scientific Research, Paris CNRS with expertise in . Jul 2009; Proceedings of the 33rd Annual IEEE International Computer Software and Applications Conference, Jan 1996; 10th International Software Process Workshop (ISPW 96), June 17-19, 1996, Dijon, France. Jacky Estublier French National Centre for Scientific Research . 21ST INTERNATIONAL PRODUCT DEVELOPMENT MANAGEMENT . 10th IRNOP Conference in Montreal, 19th – 22nd of June 2011. 7 th Annual International Open and User Innovation Workshop, June 3-5,.. by the Dijon-Burgundy Graduate School of Management ESC, Dijon, France, 5th – 7th September 2002. Software Configuration Management: ICSE97 SCM-7 Workshop, Boston, . - Google Books Result Software process improvement requires high level formalisms for describing . Making the analogy with a procedure of most programming languages, 10th International Software Process Workshop, Dijon, France, June 17-19, 1996. 1996. [50] N. Belkhatir, J. Estublier, and W. L. Melo. “Software process model and A formal basis for architectural connection - Doi.org 5th International Workshop on Feedback Control Implementation and Design in . 12th IEEE International Conference on Autonomic Computing, ICAC, July 7-10, 2015, Software Engineering, CBSE 2014, Lille, France, June 30 – July 4, 2014.. In Proceedings of the ACM International Conference on Embedded Software, Published papers International journals Guest editorial for the .
